Dear Elena,

We want to thank you for volunteering at our "Hopes & Dreams" Anniversary Gala and for helping to make it such a big success. Such a tremendous success. We know how hard you worked into setting up for the event and blowing up the balloons, and we want you to know how very grateful we were for your assistance.

Thanks in part to the very festive environment you helped create, we were able to generate revenues totaling more than \$130,000 through the event! This money will be used to support our infant foster care program, intensive services for abused and neglected children, birth parent counseling, school-based programs and other important services. Because of caring and wonderful people like you, a lot more children will be helped.

Thank you again for volunteering to work at our gala and for sharing your time (and energy!) with us. We hope to see you again at future events!

With deepest appreciation,

Donna C. Pressma
